HVAC units are equipped with Merv-13 filters. These filters are an advanced synthetic air media that utilizes both charged fibers and traditional mechanical filtration principles. The charged fibers allow the Green Pleat to achieve MERV 13 levels upon installation and immediately grab and trap airborne contaminants.

Bike Racks

Onsite Amenities

EST 1925
JACKSON
— MARKET —

On site cafe and gorgeous patios throughout for outdoor meetings, lunch and your occasional phone call.

Converted industrial space at the corner of Jefferson Boulevard and Obama Boulevard in the Hayden tract. Twenty-two unique spaces occupied by creative, entertainment, and production tenants. On-site cafe/market.

The campus continues to evolve with recent installations of additional bike racks, improved high definition surveillance cameras and electric charging stations. Guard service at sun down.

Recreational

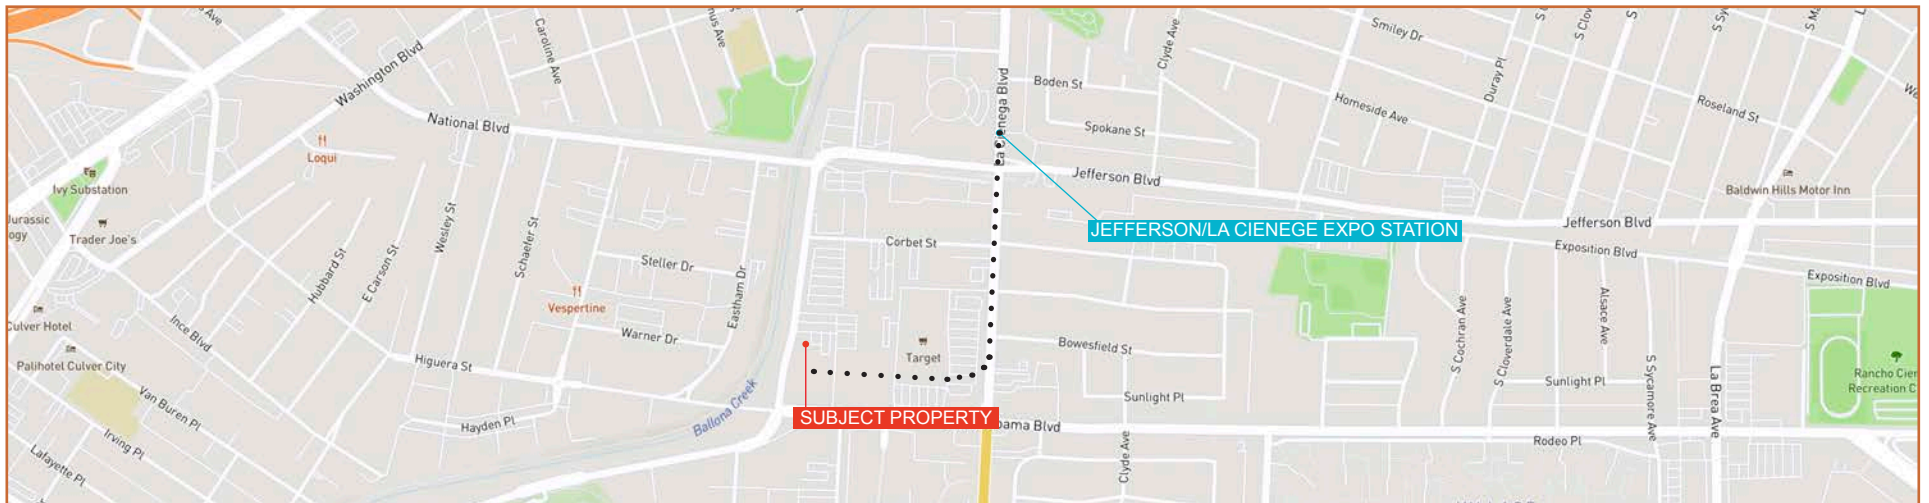

The Ballona Creek Bike Path adjacent to the Jefferson Creative Campus in East Culver City extends about 7 miles to the Coast Bike Path along the beach.

Baldwin Hills Scenic Overlook provides a grand view over LA from a steep hill just South of the Jefferson Creative Campus. The park's main entrance is off Jefferson Boulevard, 1/3 of a mile away.
